2007 VINTAGE CHART

(Updated January 2007)

Vintage charts are, by necessity, general in nature, and give an indication of a region's overall performance in a given year. This chart includes quality ratings and drinkability evaluations for most vintages that are currently available in retail stores and at restaurants and for selected older vintages. A score range indicates preliminary analysis based on barrel samples and/or a limited sampling. "NYR" means not yet released. More comprehensive vintage charts accompany the tasting reports published in *Wine Spectator* magazine and at www.winespectator.com.

95-100	Classic
